We hope to build really strong links between teachers and parents so all are valued and able to contribute in making our school a wonderful place.

## General body Meeting

Principal Mr. Man Singh Subba and Administrative officer Mr. Sathish Kumar organized the General Body meeting with parents. Parents spoke about some of changes to be made in academic fields and other activities.

The general feeling was that the meeting has 'cleared the air' and now that some of the changes have been explained, parents feel a

greater part of the school, understand the need for change and feel more valued. The feedback form was given to the parents to know, how and where the changes to be bought for the development in academic and non-academic fields.
